the destiny of our country Our economic and political structures are optimized for linear, gradual adjustments. In the non-linear era we are now entering, this means they are effectively designed to fail. To prevent the fall of United States and other democratic republics, we must radically transform the structure of our current economy and society.

the destiny of our country The Concept of Destiny in Depth Psychology and Theology. The Problem of Destiny In his inaugural lecture at the University of Frankfurt in 1929 Paul Tillich reopened the problem of destiny for modern theology. He argued that destiny consists of a transcendent necessity in which freedom becomes entangled (Tillich 1961: 23â'24).
